Recovery Road Ministries is dedicated to improving the physical, spiritual, and psychological health of individuals recovering from drug and/or alcohol addiction. Providing life-changing outreach and faith-based recovery, our organization is Aiken County's only non-profit drug and alcohol rehabilitation program. This in-house program provides a 10 month curriculum, professional counseling, public education, job training, and various other opportunities and resources to promote healthy, yet timely recovery for each resident. Our goal is to ensure that every person is equipped for achieving long-term recovery as a fully functioning, successful member of society.

Drugs and alcohol destroy lives and families every day and our heart is to reach these men and women. We aim to give them the tools they need to succeed and to share the love of God with them. Your prayers and financial support can help change hearts and save lives.

Our immediate goal for 2017 is to provide housing and recovery resources for up to 16 men. To do so, we need both your prayers and support to raise the \$250,000 needed to purchase the residence for the recovery home. Once open and fully functioning, our next goal will be to purchase another home to provide the same resources for women.

Each and every contribution will make a valuable difference in the lives of many.
